

# STUFF THE BUS

## School Supply Drive

Help us help United Way Stuff the Bus for education. Many area students aren't ready for school because their family can't afford the supplies they need. All the materials a child may need could cost \$50 or more - the equivalent of almost a week's worth of groceries, a phone bill or a tank of gas. Families on fixed incomes can't afford that. If you would like to collect supplies, you can find the list at [www.LiveUnitedChattanooga.org](http://www.LiveUnitedChattanooga.org).
