

HOW TO LIVE UNITED: CONNECT THE DOTS!

The LIVE UNITED message has four key points that explain what United Way does:

ADVANCING THE COMMON GOOD

Advancing the common good means **creating opportunities for a better life for all.**

EDUCATION, STABILITY, SUPPORT

This is what we all need for a good life – To support people in critical need or crisis, help people to lead stable, productive lives, and prevent social problems by helping children reach their full potential.

LASTING CHANGES

Our goal is to create long-lasting changes in social conditions by addressing the underlying causes of problems.

LIVE UNITED

Be part of the change through **giving, advocating and volunteering.**
